Understand that the Freestyle Libre® Flash Glucose Monitoring System and Sensors will initially be funded for a period of up to 6 months, and agree to the criteria for the provision of the Libre® which has been discussed with me.

I understand that NHS Rotherham Clinical Commissioning Group (CCG) has agreed to fund the Libre® to me for a period of up to six months. After this period, if the Diabetes Team feel that the Libre® trial has been successful NHS Rotherham CCG will fund it indefinitely, providing that I continue to benefit from the Libre® system. The decision to continue will be re-assessed every twelve months as part of an annual review with the Diabetes Team.
